Top Third Ag Marketing | 877-884-3343

This is not an offer to buy or sell any derivative, the managed program described above is offered by FCStone Merchant Services, LLC ("FMS") and is only applicable to physical commodity marketing and sales. Top Third Ag Marketing LLC ("TT") is an affiliate of FMS, and will act as a service provider for the managed program. TT is a registered Introducing Broker but will not act in that capacity when servicing the managed program. FMS trades in a variety of physical commodities, and offers customers services to help manage the risks associated with their physical product. Trading over-the-counter and exchange-traded derivatives is not suitable for all investors and involves substantial risk. This material does not constitute investment research and does not take into account the particular investment objectives, financial situations, or needs of individual clients or recipients of this material. You are directed to seek independent investment and tax advice in connection with derivatives trading. Past performance by FMS or a third party advisor may not be indicative of future results. FMS has not verified performance claims made by third party advisors and makes no representation as to accuracy or reliability of any third party performance or marketing claim.
